# CHAIRMAN'S WELCOME

*Dear Friends and Members,*

Welcome to the 2017 Uplyme and Lyme Regis Horticultural Society 88th. Summer Show and Country Fayre. The Show will celebrate Ladybirds, the gardener's friend. As usual, the Show will run from 1pm to 5pm, with the Prize presentation at 4:30. The usual attractions will be present, including the Family Dog Show, Brass Band, Morris Men, Punch & Judy, as well as many displays and stalls, games and Steam Train Rides, plenty for all the family throughout the afternoon. Please enter as many classes as possible - there are a wide range for all ages and abilities, many echoing our 'Ladybird' theme.

Over the past two years our Summer Show has seen good weather, large attendances and a high standard of entries, which have allowed us to make significant donations to local causes. In 2017, if the weather behaves itself again and with your support, we hope to donate again to the Village Hall, and the local Ring & Ride service, so vital to the local community. Bring along your family and friends to enjoy the exhibits and displays.

Our thanks go to all those members who volunteered last year to make it a success, and we would like to give a special thank you to Gill Wells for all her hard work organising the horticultural exhibits in the marquee. The Committee would also like to give a very big thank you to Jenny Harding, who has stepped down as our Chair after 8 (or is it 9) years, so long even she can't remember! Luckily for me, she remains one of two vice-Chairs to help me find my way, the other being Robin Britton. Thank you to you both.

I would like to thank all the committee members and friends that have given their time and energy to organise the 2017 programme of events. If you'd like to get involved, even if only on an occasional basis, talk to any Committee member listed in the Schedule or look at our website [www.ulrhs.wordpress.com](http://www.ulrhs.wordpress.com)

Best wishes,

*Brian Tomsett*

# What's new in 2017

## *In the Summer Show -*

As usual, we have introduced some changes to various classes to bring a new variety of challenges for our exhibitors.

- \* Young Fuchsia plants will be available at the March monthly meeting - let's see what you can do.
- \* Due to popular demand, egg classes will be judged by external appearance only, so that we don't waste them by breaking them.
- \* We've simplified some of the bottling requirements for home-made wines, also due to popular demand.
- \* The honey classes only need one jar this year.

Our fun classes have some new variants this year

- \* The ugliest vegetable or fruit will hopefully give us all a laugh.
- \* The Potato-in-a-Bucket will be judged by River Cottage as a display in the afternoon. The bucket and potato will be available at the February monthly meeting and for the first week or so of March (while stocks last!). We've picked an extra early variety that produces a heavy yield, so the competition should be close.
- \* The "Living Leaves" competition gives the veg growers a chance to show their growing skills with a salad display, a sort of an allotment in a seed tray.

Ladybirds obviously figure prominently as they are our theme.

- \* A ladybird made from fruit and/or vegetables should be a challenge - fortunately it doesn't have to be life-sized!
- \* Can you make a Ladybird cake?
- \* For those of you who are arty or crafty, there are Ladybirds to feed your imaginations.
- \* ..... and of course for our junior exhibitors, Ladybirds feature prominently.

The Family Dog Show also has new classes suggested by those that bring their doggy friends

- \* The Waggiest Tail
- \* Catch the Sausage
- \* The Fastest Recall

But ..... we have lots of our favourites remaining including the Brass Tacks Brass Band, The Uplyme Morris Men, Punch & Judy, The Miniature Steam Railway, and many stalls and displays.

## *Where's the Autumn Show?*

We are trying something new. This year the Autumn Show will be an evening event combined with a Harvest Supper at our October monthly meeting. It will be Pumpkins, Pies, and Pickles and other Produce, perhaps even things not starting with a 'P'. We'll let you know later in the year as we plan it further.

## *.....and the talks and outings -*

As ever, we have a wide range of talks and outings listed later in this schedule. But here are some highlights -

- \* James Cross will give us a talk about the 'Bishop's Palace and Gardens in Wells' in June, and we follow it up with a visit there in August.
- \* In August, we are going to the 1<sup>st</sup> RHS Flower Show at Rosemoor, and get to see the fantastic garden there.
- \* In September, we visit Bristol Botanic Garden with a guided tour followed by a guided tour around Jekka McVicar's Herbetum with her 300 varieties of culinary herbs.
- \* Our final trip will be to see the autumn colours at Westonbirt Arboretum.
- \* In our talks, we visit Hestercombe Gardens, Chile, the Canaries, or learn about bats, hens, Salvias and more. We hope there is something for everyone.

# Recipe for Macaroon Cake

## (Class 110)

### FOR THE CAKE:

150g/5oz self-raising flour  
15g/0.5oz cocoa  
1 level tsp instant coffee  
100g/4oz margarine (or butter)  
100g/4oz caster sugar  
3 egg yolks  
150ml/quarter pint milk

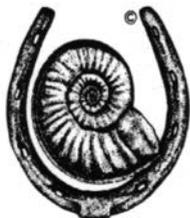

### MACAROON TOPPING:

3 egg whites  
75g/3oz caster sugar  
75g/3oz ground almonds

1. Line a 20cm/8" round or 18cm/7" square deep cake tin with greased greaseproof paper. Sift the flour with the cocoa and instant coffee (if granules used squash them with a metal spoon).
2. Place the softened margarine (or butter) in a mixing bowl. Add the caster sugar and cream the mixture until light and fluffy. Beat in the egg yolks, one at a time. Fold in the flour, alternatively with the milk, in three amounts.
3. Make the macaroon: whisk the egg whites until stiff, beat in the sugar gradually. Stir in the ground almonds. Spread the cake mixture in the prepared tin and spread the macaroon on top. Make sure the macaroon touches the tin all round.
4. Bake in a moderate oven (180 degrees centigrade/350 degrees fahrenheit/gas mark 4) for about 1 hour but check after 45 minutes with a skewer to see if it comes out clean as timings depends on the oven. Carefully remove from the tin and cool on a wire rack.

I wish I was a ladybird  
Scuttling on a ledge,  
Never thinking, never worrying,  
Just living on the edge.

Free to stay or free to fly,  
Whatever I decide,  
The world is what I make of it,  
I simply ride the tide.

But I am like that ladybird,  
Free to fly and go.  
Do I need to get the timing right?  
No!

Jump! Fly! Go!
