SHOW CO-ORDINATOR'S WELCOME

Dear Friends and Members,

Welcome to the 2024 Summer Flower and Produce Show, to be held on Saturday August 3rd from 2pm to 5pm - the 95th Show organised by the Uplyme and Lyme Regis Horticultural Society. Admission to the show will be £1 for all adults, free for those 16 and under.

This year we are celebrating Herbs – useful plants with leaves, seeds or flowers that can be used for flavouring, food, medicine or perfume. Herbs feature in several of the show classes, and we hope that even more people will take part in the show this year. Entries for the show classes are free and can be found, with the rules, in this schedule and on our website.

Despite the challenging weather conditions in 2023, a high standard of entries in the marquee, excellent refreshments, entertainment and stalls on the field enabled us to make donations to The Flamingo Pool in Axminster and The Woodroffe School Gardening Club. Our thanks to all the advertisers, sponsors, committee and members who helped to make the show a success.

In 2024, change is afoot - we are re-focusing our show and concentrating more strongly on horticultural content.

We will be working with the Flower Group at Uplyme Church who are staging a flower festival, also celebrating herbs, from Thursday 1st to Saturday 3rd August and are joining forces with Regatta and Carnival Week to add to their range of attractions. If our show is successful financially, we shall share any surplus with them.

Alongside our traditional marquee full of competition entries (flowers, fruit, vegetables, craft, photography, cookery, wine and preserves for adults and children) we shall have our regular Horticultural Society stalls such as plants, books and raffle, while our Potato in a Bucket competition will have its normal presence outside the marquee.

On the field will be a range of stalls and demonstrations/educational exhibits connected with gardening and horticulture, the local environment/natural world and crafts including nurseries, garden tools, art and sundries, demonstrations of practical gardening techniques, our own version of Gardeners Question Time and other exhibits designed to inform and entertain. And of course, our excellent refreshments in the Village Hall. Plenty for all to enjoy throughout the afternoon.

I would like to thank all the committee members and friends that have given their time and energy to organise the 2024 programme of shows, talks and trips. If you'd like to get involved, talk to any Committee member or look at our website www.ulrhs.wordpress.com.

Best wishes,

Jenny Harding

It kicks off with the amazing spectacle of the Torchlight Parade and culminates in the Grand Carnival Procession on the following Saturday. In between there is a host of family friendly activities from Candles Down the River to egg catching, welly wanging and the teddy bears' parachute jump. NOTES FOR EXHIBITORS

Please read the schedule carefully, including weight, size and number specified in each class. Judges do check!

Set Recipe for Class 97

Cardamom, White Chocolate and Pistachio Cake.

Cake ingredients

225g unsalted butter, softened, plus extra for greasing

225g caster sugar

4 large eggs

250g self-raising flour

1 tsp baking powder

1 tsp cardamom seeds, crushed to a powder in a pestle and mortar

100ml milk

50g shelled, unsalted pistachios, plus a handful extra, all roughly chopped

50g white chocolate chips

For the icing

150g white chocolate, broken in pieces

150g unsalted butter, softened

Few drops vanilla extract

Method

Heat the oven to 180°C/160°C fan/gas 4. Grease 2 x 20cm sponge tins, then line with baking paper.

Cream butter and sugar with an electric mixer. Beat in the eggs, one at a time, ensuring each one is incorporated before adding the next.

Add the flour, baking powder, cardamom and milk, then whisk for 1 minute. Fold in the 50g pistachios and white chocolate chips, then fill the tins with the batter.

Bake for 30 minutes until a skewer pushed into the centre comes out clean. Cool in the tins.

For the icing, put the white chocolate in a heatproof bowl and set it over a pan of just steaming water until melted, ensuring the bowl does not touch the water. Set aside to cool slightly.

Cream the butter with an electric mixer, then beat in the melted chocolate and vanilla until light and creamy.

Remove the cooled sponges from the tins. Spread half the icing on 1 sponge, top with the second, then spread the rest of the icing on top. Sprinkle with the remaining pistachios.
